It is hereby ORDERED that the parties shall promptly confer and file a joint proposed schedule for briefing or disclosure, on or before 3/28/2017. Signed by Judge Ketanji Brown Jackson on 03/13/2017. 03/28/2017	<u>11</u>	Joint STATUS REPORT by FOOD AND DRUG ADMINISTRATION. (Field, Brian) (Entered: 03/28/2017)
04/03/2017		MINUTE ORDER. The Court has reviewed the parties' <u>11</u> Joint Status report, and accepts the government's representations that it will process the documents as indicated. In addition, it is this Court's practice in FOIA cases to require the parties to submit periodic status reports in lieu of convening status conferences unless extraordinary circumstances require an in-person meeting. The Court sees no such circumstance in this case at this time. Therefore, Plaintiff's request for a status conference is denied, and the parties' next status report is due on or before 6/2/17. Signed by Judge Ketanji Brown Jackson on 4/3/2017. (lckbj3) (Entered: 04/03/2017)
06/01/2017	<u>12</u>	Joint STATUS REPORT by FOOD AND DRUG ADMINISTRATION. (Field, Brian) (Entered: 06/01/2017)
06/13/2017		MINUTE ORDER. Pending before the Court in this FOIA matter is the parties' <u>12</u> Joint Status Report, in which the FDA represents that it has completed searches in three of four offices for records responsive to Freedom Watch's FOIA request and produced those records, with the exception of six pages that the FDA has referred to other agencies. With respect to the search of records in the fourth office, the FDA represents that its Center for Drug Evaluation and Research ("CDER") has assigned some portions of Freedom Watch's FOIA request to its "Simple Track and Drug Safety Queue," and other portions to its "Complex Track," and that it has completed searching for and producing those records within the Simple Track. However, the FDA represents that it will not begin processing Freedom Watch's request with respect to the search assigned to CDER's Complex Track for approximately 13 months, because there are 366 requests ahead of Freedom Watch's in that queue. In response to this timing estimate, Freedom Watch asks the Court to "order FDA to make full production within 6 months[,] asserting that the government's response to its FOIA request is a matter of "life and death" for the American public." (Jt. Status Rpt. at 3.) The record reveals that Freedom Watch requested expedited processing of its FOIA request (see Ex. A to Compl., ECF No. 1 at 7), but the parties' submissions to date do not address the FDA's decision regarding this request for expedition. Accordingly, it is hereby ORDERED that, on or before June 30, 2017, the FDA shall file a memorandum of no more than 15 pages that (1) addresses the FDA's decision, if any, regarding Freedom Watch's request for expedited treatment, and (2) responds to Freedom Watch's argument that the Court should order the agency to make a full production within 6 months. It is FURTHER ORDERED that Freedom Watch may file a brief of no more than 15 pages in reply to the FDA's memorandum on or before July 14, 2017. Signed by Judge Ketanji Brown Jackson on 06/13/2017.
